Issued by Americo Financial Life and Annuity Insurance Co., Kansas City, MO

Growth Commander **Past Performance**

Growth Commander fixed indexed annuity products offer a diverse selection of index options that credit interest based on the performance of a market index. These indexed interest options—some available only with Growth Commander—allow you to retire with confidence, knowing you can benefit from market gains without exposing your money to market loss.

For descriptions of available index options, how interest is credited, and how they might help you further your retirement goals, refer to the Growth Commander Interest Crediting Options brochure.

Choosing the Right Index Options for You

How the indexes may have performed in the past can be an important consideration when determining which index options best meet your retirement goals. The tables on the following pages show hypothetical interest crediting rates over the last 10 years for index options available with the Growth Commander 10-year product, assuming historical or back-tested index performance. Keep in mind that past performance, whether actual or back-tested, does not guarantee future results.

To demonstrate how performance potential varies depending on interest crediting rates, we are assuming sample rates for index options without a fee and index options with a fee.*

Strong Guarantees

Regardless of which option(s) you choose, even in a worst-case scenario, your money is protected from market uncertainty by a strong minimum guarantee. Interest credited will never be less than 0%. Additionally, upon death, surrender, or annuitization, you are guaranteed to receive no less than the Guaranteed Minimum Value, which is equal to 87.5% of the contract's premium minus any gross withdrawals and applicable premium tax (premium tax does not apply in Oregon), plus interest credited at the Guaranteed Minimum Value Interest Rate shown on your contract's data page.

* The charge on optional index options with a fee is 1.50%, deducted at the end of each contract year during the index period.

These trademarks have been licensed for use by SPDJI and sublicensed for certain purposes by Amerigo. Amerigo's annuity product is not sponsored, endorsed, sold, or promoted by SPDJI, S&P, Dow Jones, or their respective affiliates, and none of such parties makes any representation regarding the advisability of investing in such product, nor do they have any liability for any errors, omissions, or interruptions of the S&P 500® Index.

Morgan Stanley Enhanced Allocation Index

Any annuity product that is linked to the performance of the Index is not sponsored, endorsed, sold or promoted by Morgan Stanley & Co. LLC, or any of its affiliates (collectively, "Morgan Stanley"). Neither Morgan Stanley nor any other party (including without limitation any calculation agents or data providers) makes any representation or warranty, express or implied, regarding the advisability of purchasing this product. In no event shall Morgan Stanley have any liability for any special, punitive, indirect or consequential damages including lost profits, even if notified of the possibility of such damages. The Index is the exclusive property of Morgan Stanley. Morgan Stanley and the Index are service marks of Morgan Stanley and have been licensed for use for certain purposes. Neither Morgan Stanley nor any other party has or will have any obligation or liability to owners of this product in connection with the administration or marketing of this product, and neither Morgan Stanley nor any other party guarantees the accuracy and/or the completeness of the Index or any data included therein.

Morgan Stanley includes an index deduction mechanism that scales upward based on positive recent performance of the Index, up to a maximum of 0.15% per business day or up to approximately 37.8% per year. Such deduction is included in calculating the level of the Index and will thus reduce the return of the Index. The excess return calculation applied by Morgan Stanley as part of the Index's methodology will also decrease the Index's performance and thus reduce the return of any product linked directly to the Index.

SG Global Balanced Index

The Global Balanced Index (the "**Index**") is the exclusive property of SG Americas Securities, LLC (SG Americas Securities, LLC, together with its affiliates, "**SG**"). SG has contracted with S&P Opco, LLC (a subsidiary of S&P Dow Jones Indices LLC) ("**S&P**") to maintain and calculate the Index. "SG Americas Securities, LLC", "SGAS", "Société Générale", "SG", "Société Générale Indices", "SGI", and "Global Balanced Index" (collectively, the "**SG Marks**") are trademarks or service marks of SG. SG has licensed use of the SG Marks to Amerigo Financial Life and Annuity Insurance Company ("**Amerigo**") for use in a fixed indexed annuity offered by Amerigo (the "**Fixed Indexed Annuity**"). SG's sole contractual relationship with Amerigo is to license the Index and the SG Marks to Amerigo. None of SG, S&P, or other third party licensor (collectively, the "**Index Parties**") to SG is acting, or has been authorized to act, as an agent of Amerigo or has in any way sponsored, promoted, solicited, negotiated, endorsed, offered, sold, issued, supported, structured or priced any Fixed Indexed Annuity or provided investment advice to Amerigo.

No Index Party has passed on the legality or suitability of, or the accuracy or adequacy of the descriptions and disclosures relating to the Fixed Indexed Annuity, including those disclosures with respect to the Index. The Index Parties make no representation whatsoever, whether express or implied, as to the advisability of purchasing, selling or holding any product linked to the Index, including the Fixed Indexed Annuity, or the ability of the Index to meet its stated objectives, including meeting its target volatility. The Index Parties have no obligation to, and will not, take the needs of Amerigo or any annuitant into consideration in determining, composing or calculating the Index. The selection of the Index as a crediting option under a Fixed Indexed Annuity does not obligate Amerigo or SG to invest annuity payments in the components of the Index.

THE INDEX PARTIES MAKE NO REPRESENTATION OR WARRANTY WHATSOEVER, WHETHER EXPRESS OR IMPLIED, AND HEREBY EXPRESSLY DISCLAIM ALL WARRANTIES (INCLUDING, WITHOUT LIMITATION, THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE), WITH RESPECT TO THE INDEX OR ANY DATA INCLUDED THEREIN OR RELATING THERETO, AND IN PARTICULAR DISCLAIM ANY GUARANTEE OR WARRANTY EITHER AS TO THE QUALITY, ACCURACY, TIMELINESS AND/OR COMPLETENESS OF THE INDEX OR ANY DATA INCLUDED THEREIN, THE RESULTS OBTAINED FROM THE USE OF THE INDEX AND/OR THE CALCULATION OR COMPOSITION OF THE INDEX, OR CALCULATIONS MADE WITH RESPECT TO ANY FIXED INDEXED ANNUITY AT ANY PARTICULAR TIME ON ANY PARTICULAR DATE OR

OTHERWISE. THE INDEX PARTIES SHALL NOT BE LIABLE (WHETHER IN NEGLIGENCE OR OTHERWISE) TO ANY PERSON FOR ANY ERROR OR OMISSION IN THE INDEX OR IN THE CALCULATION OF THE INDEX, AND THE INDEX PARTIES ARE UNDER NO OBLIGATION TO ADVISE ANY PERSON OF ANY ERROR THEREIN, OR FOR ANY INTERRUPTION IN THE CALCULATION OF THE INDEX. NO INDEX PARTY SHALL HAVE ANY LIABILITY TO ANY PARTY FOR ANY ACT OR FAILURE TO ACT BY THE INDEX PARTIES IN CONNECTION WITH THE DETERMINATION, ADJUSTMENT OR MAINTENANCE OF THE INDEX. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL AN INDEX PARTY HAVE ANY LIABILITY FOR ANY DIRECT DAMAGES, LOST PROFITS OR SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES, EVEN IF NOTIFIED OF THE POSSIBILITY OF SUCH DAMAGES.

No Index Party is a fiduciary or agent of any purchaser, seller or holder of a Fixed Indexed Annuity. None of SG, S&P, or any third party licensor shall have any liability with respect to the Fixed Indexed Annuity in which an interest crediting option is based on the Index, nor for any loss relating to the Fixed Indexed Annuity, whether arising directly or indirectly from the use of the Index, its methodology, any SG Mark or otherwise. Obligations to make payments under the Fixed Indexed Annuities are solely the obligation of Amerigo.

In calculating the performance of the Index, SG deducts a maintenance fee of 0.50% per annum on the level of the Index, and fixed transaction and replication costs, each calculated and deducted on a daily basis. The transaction and replication costs cover, among other things, rebalancing and replication costs. The total amount of transaction and replication costs is not predictable and will depend on a number of factors, including the leverage of the Index, which may be as high as 200%, the performance of the indexes underlying the Index, market conditions and the changes in the market environments, among other factors. The transaction and replication costs, which are increased by the Index's leverage, and the maintenance fee will reduce the potential positive change in the Index and increase the potential negative change in the Index. While the volatility control applied by the Index may result in less fluctuation in rates of return as compared to indices without volatility controls, it may also reduce the overall rate of return as compared to products not subject to volatility controls.
